2 Piece Patchwork **By Sandy Petsche for Maple Hill Quilts**

Fun Patchwork Projects Using Only Two Pattern Pieces
What Could Be Easier?

Landauer Publishing is proud to announce the release of *2 Piece Patchwork* by Sandy Petsche for Maple Hill Quilts. This new book features 16 projects that are EASY to make, EASY to cut, and EASY to quilt. Each project is accompanied by easy-to-follow, step-by-step instructions, including helpful tips and how-to directions for techniques that make projects go faster.

2 Piece Patchwork is a great choice for beginners. With just two pattern pieces—squares and triangles—any quilter will be able to make an easy quilt that doesn't look easy. More experienced quilters looking for quick and easy scrappy quilts will also love *2 Piece Patchwork* for its stash-busting possibilities. Each project is flexible with three size options for each pattern. *2 Piece Patchwork* is also a great choice for shop owners and teachers, who can easily adapt the patterns, instructions and hints for quilt classes.

Sandy Petsche of Maple Hill Quilts has been quilting for 30 years and teaching quilting for almost as many. She likes to call herself a beginner and designs so beginners will be successful. Sandy uses just triangles and squares to create scrappy, traditional 2 Piece Patterns that may look difficult, but are beautifully beginner-easy.

2 Piece Patchwork, by Sandy Petsche for Maple Hill Quilts, contains 80 pages retails for \$24.95 with a trade-paper binding. It is available through your favorite bookseller, quilt shop, or direct from Landauer Publishing at 800-557-2144 or on the web at www.landauercorp.com.
