First-Time Beading on Fabric learning to bead in nine easy lessons

Liz Kettle's *First-Time Beading on Fabric* teaches nine beading techniques in nine easy lessons. Seed stitch, moss stitch, couching, backstitch, bugle beads, stacks, fringe, picot edge and peyote stitch. After practicing the beading stitches and techniques on the quilt sampler or stitch book, you will be ready to create the unique Beaded Garden Quilt to showcase your new skills. An equipment and supplies list, descriptions of bead shapes and sizes, quick tips for threads, needles, bead mats, and trays—all are included for easy reference, making this book the go-to guide for both new and experienced beaders.

Complete, clear and concise step-by-step how-to instructions provide guidance and inspiration to master the craft of beadwork, while the hundreds of color photographs throughout the book support the text. Readers will easily follow along, building skills and creating their own beaded sampler for future reference.

Author, quilter and teacher Liz Kettle is a fabric and mixed media artist with a passion for teaching others the joy of making art and the creative process.
