### ***First-Time Quiltmaking***

*learning to quilt in six easy lessons*

#### **New Soft Cover Edition!**

One of the most popular introduction-to-quilting books on the market is now available in a new soft cover edition. Containing all the same valuable information, and the same full-color, step-by-step photos, *First-Time Quiltmaking* is still one of the best learn-to-quilt books available!

Based on actual classes with beginners, the editors at Landauer Publishing have created a first quilting book that presents information in teach-me, show-me text and photos that work. *First-Time Quiltmaking* presents just what a beginner needs to know to get started. The six easy lessons include beginning basics, preparing the fabric, sewing accurate seams, assembling the quilt top, making the quilt sandwich, finishing the quilt. *First-Time Quiltmaking* includes four simple projects for beginners to learn what they need to know to get started and successfully create their first quilt.

*First-Time Quiltmaking* (978-1-935726-23-4) contains 112 pages, comes in soft cover binding, retails for \$21.95 U.S. and is available through your favorite bookseller or quilt shop, or direct from Landauer Publishing: 800-557-2144 or on the web at [www.landauercorp.com](http://www.landauercorp.com).
