Friendship Strips & Scraps

18 Beautiful Quilting Projects, Strips & Scraps Exchange Ideas,
Easy, Step-by-Step Strip Panels Techniques

Established fabric designer, quilter and author Edyta Sitar of Laundry Basket Quilts invites quilters everywhere to enjoy the fun, creativity and camaraderie of her new friendship fabric exchange idea: trading fabric strips. Edyta has created strip panel fabrics using a simple technique and designed 18 gorgeous new quilt projects. Home quilters, quilt guilds and shop owners will be inspired to organize fabric strip exchanges using stash fabrics or precut fabric strips such as Jelly Rolls™ and Honey Buns™. Ease, versatility, fun and satisfaction—guaranteed.

Quilters will be motivated by 112 full-color pages filled with photos and beautiful quilts. Accurate instructions for quilts, table toppers, a table runner, wallhangings and more are included, 18 gorgeous projects in all. Each project features step-by-step photos, diagrams, illustrations, and helpful, time-saving tips. Step-by-step, “how-to” technique photos for creating strip panels and fusible appliqué are also included.

Edyta Sitar credits inspiration, a love for fabric, a keen eye for color and family heritage for her success in developing a thriving talent for designing fabrics, quilts and quilting patterns. As one of the leading designers for Moda Fabrics, Edyta’s fabric collections and patterns are widely distributed throughout the world. She is a sought-after teacher who loves sharing her love of quilting with others. As the owner and co-founder of Laundry Basket Quilts, her work has been published in magazines world-wide and her quilts have received numerous awards. Edyta’s first book, *Hop To It!*, won ForeWord Reviews’ Book of the Year Silver award in 2009.
