Nature's Table Toppers By Debbie Field of Granola Girl® Designs

Don't have time for a big quilt project? Need a great gift idea? Try a quick-to-make table topper! Table toppers are a great way to dress up table settings throughout the year, plus they're finished in a fraction of the time it takes to complete a quilt. You'll find 18 easy home décor projects in ***Nature's Table Toppers*** by Debbie Field of Granola Girl® Designs.

Debbie helps you to express your love of nature with easy-to-create projects that feature her fabulous fabrics and designs and celebrate the great outdoors. She offers a wide variety of themes and motifs that span the seasons. Dozens of appliqués—including cardinals, woodpeckers, bittersweet, pumpkins, poinsettias, snowmen, dragonflies, and wildflowers—can be used again and again, to make your home a cozy retreat or warm the heart of a loved one. This new, original collection of table toppers, place mats, ornaments, table runners, and candle mats is designed to celebrate nature's seasons in all their glory.

Step-by-step instructions combined with more than 100 full-color photographs, diagrams, and illustrations make these projects easy to create. Filled with creative ideas that capture the spirit of each season, the book showcases appliqué and patchwork techniques in both cotton and wool. A brief primer on appliqué, quilting and binding techniques, as well as hints for working with wool, provides all the basic skills you'll need to successfully complete the projects.
